İyi tasarım asla eskimez. Özellikle söz konusu mobilya ise geçen yıllar ile beraber yıllanarak değer kazanır. İşte antikanın doğuşu! étoile tasarımları bu bilincin ışığında oluşturuldu. Her zaman değerini koruyacak şekilde usta ellerde hayat buldu.

A good design never gets old. Especially aging furniture gains value within years. That is the birth of the antique! étoile designs were created in the light of this consciousness. They were brought to life in skillful hands, always keeping their worth.
